Bernese Mountain Dog Club of the Greater Twin Cities

The BMDCGTC was formed in 1988 to help promote the best possible breeding, training, health, and well-being of the purebred Bernese Mountain Dog.

President's Letter

-Micky Trent (Merlin, Cammie & Viva)

Rejoice Berners! Fall is coming and cooler weather is on the way. Summer was hot this year and July and August were slow months for club activities. The weather cooperated to give us a beautiful morning for our Regional Specialty on August 26th in conjunction with the St. Croix Club's cluster of shows in August. Over 60 Bernese Mountain dogs came to participate. Special thanks to Sharon Krantz, Julie Latterall, Karen Johnson, Nancy Mayer, Sarah Tennessen, Sarah Reischel and Catherine Fors for organizing and putting on a great show, raffle and banquet! Many club members came to watch, and we hope that you all enjoyed the event. Our specialty was followed by 2 more days of all breed shows and a 3rd show day for working breeds, so it was a big weekend for Berners. We held a general club meeting on Saturday after selection of best of breed.

This Fall will be a busy time for the club, with lots of opportunities to learn and play. We had a booth at the AKC Responsible Dog Owner Day on 9/10 at Washington County Fairgrounds. This event promotes responsible health and mental care for dogs and includes opportunities to learn about many breeds' issues related to their care. The BMDCGTC Health and Wellness Day was held on 9/24 at Inver Grove Heights Animal Hospital. This event provided an opportunity for club members to get many important health screens for your dogs. And you can't miss our two-day Draft Test at Hanson Park in New Brighton on October 22 and 23! What better way to learn about one of the traditional activities of Berners? Please consider volunteering to help with this activity. It is a great way to see an event and serve the club at the same time. We will be holding a Club meeting at 2:00 on Saturday, October 22nd in conjunction with the Draft Test at Hanson Park. Even if you can't stay for the whole Test, come catch some of Saturday and stay for the meeting. If you are interested in a position on the BMDCGTC Board, nominations will be taken at the October 22nd Board Meeting. Stay tuned for more events and don't forget to check out the Event page on the club website for details. Enjoy the cooler weather!

Call to Order at 9:40 A.M. Quorum: Yes

Minutes of the last meeting will be presented at the next meeting.

Report of President: Micky Trent thanked Sharon Kranz and all the committee chairs and helpers for our Regional Specialty on August 26.

Our first agility trial in conjunction with the BMDCA was a success and was chaired by Kris Osojiniki. The club will end up earning about \$2000 on this event. Thank you and great job to Kris and others that helped with the trial.

Responsible Dog Owners Day will be at the Washington County Fairgrounds on September 10. Please participate if you can, as we need people to be at our booth and to do draft demonstrations.

Our Draft test will be on October 22 & 23. We can use many volunteers. Talk to Denise McCabe for arrangements.

Health and Wellness day is coming up soon, on September 24. We will have a date arranged for Winterfest soon.

We will continue the process of working toward accreditation with the AKC. Next item is to plan an A match.

Meeting Minutes cont.**New Business:**

A vacancy on the Board of Directors has been filled by Julie Latterell, who was appointed by the Board.

Karen Johnson mentioned seeing a kennel club website that had a section with club members doing activities with their dogs. She felt this may be a way to demonstrate online some of the many activities that we do with our dogs.

With no other business presented, adjournment called at 9:55 AM on a motion by Susan Acklen and a second by Sarah Tennesen.

Braggs noted

Respectfully submitted,
Karen Johnson, Secretary

Pumpkin Wafers Dog Treats 300° - 15-20 mins

2 - 15 oz cans mashed pure pumpkin

$\frac{3}{4}$ cup cream of wheat (or rice cereal if wheat-sensitive-no need to cook it first)

$\frac{3}{4}$ cup oatmeal

1 cup dry powdered milk

Mix all ingredients together. Drop small spoonfuls (I use about half of a tablespoon) onto a lightly greased cookie sheet.

If you'd like to make bite sized cookies for small dogs, training rewards or just small treats, you can use a [pastry bag](#) and squeeze out rosettes about the size of a dime for tasty bite sized cookies!

(This pumpkin dog treat is loaded with Beta carotene and anti-oxidants especially vitamins C and E. These vitamins help to lower cancer risk, cataracts and heart disease.)

Special thanks to Nancy Mayer for this wonderful recipe. Look for more recipes in upcoming newsletters!

6th Annual BMDCA Draft Test Hosted by BMDCGTC

October 22 and 23, 2011 Hanson Park

Entries close October 12, 2011

Join us for a fall weekend in a beautiful park. Lunch will be a potluck both days. Whether you are competing, volunteering or just coming to watch, please plan to bring your favorite dish to share. The pavilion has electricity, but please bring an extension cord as outlets are scattered throughout the room. The club will provide plates, eating utensil, pop, water, coffee and hot cider.

Please contact Carol Manley at bcmanley@brainerd.net to let her know what you are planning to bring. We look forward to seeing many of you for a beautiful fall day watching our Berners work.

Responsible Dog Owner Day and the Canine Experience

By Julie Latterell

On September 10th, dog owners and potential dog owners from across the Twin Cities gathered at the Washington County fairgrounds to share information with one another. Attendees enjoyed the lovely late-summer weather and the camaraderie brought about by a shared love of dogs!

St. Croix Valley Kennel Club, an all-breed dog club, hosted the event and put together an outstanding array of events, canine service providers and local breed clubs to offer a little bit of something for everyone. September is AKC's Responsible Dog Owner month. Dog clubs across the country put on literally 100's of RDOD events throughout the month to help educate people about responsible dog ownership. For those on hand in Lake Elmo that wanted to learn more about showing their dogs, they offered a handling class, as well as an actual Match for people and handlers to get some in-ring show experience. They had rings set up so people and their dogs could give agility, rally, or obedience a try.

People were there to help unravel the mysteries of dog-grooming and coat care. Stillwater Vet Clinic was on-hand to provide low-cost microchipping and organizers also managed to fit in a Canine Good Citizen Test as well!!

People who were interested in learning more about a particular breed got the opportunity to talk to local breed clubs and actually meet some of the dogs they were considering up close and personal! There were even some rare breed dogs on hand that even those of us that are dog-savvy hadn't heard of...

BMDCGTC Club members were kept busy answering questions from folks stopping by who were both interested in learning more about the breed, or sharing stores of love and loss of a Berner they

shared their lives with and miss. There was also plenty of opportunity to provide info to people who came with their Berner, but weren't aware of the local club and wide array of activities we offer Berner owners!

Even though our club was in theory a Berner booth, we also were able to provide an example of another Mountain Dog breed, the Appenzeller Mountain Dog and a Catahoula dog.

Many thanks to club members Susan Acklen and Tim Staples, Sarah and Lynn Reischel, Sherry Gydessen, Erika and Ray Westfield and Denise McCabe, who volunteered for part of the day at the booth, or just came to hang out with the fun Berner crowd congregated at our booth.

We hope to see many more BMDCGTC club members at the event next year! It's a great opportunity to see what fun things there are to do with your dog.

Annual Club Elections

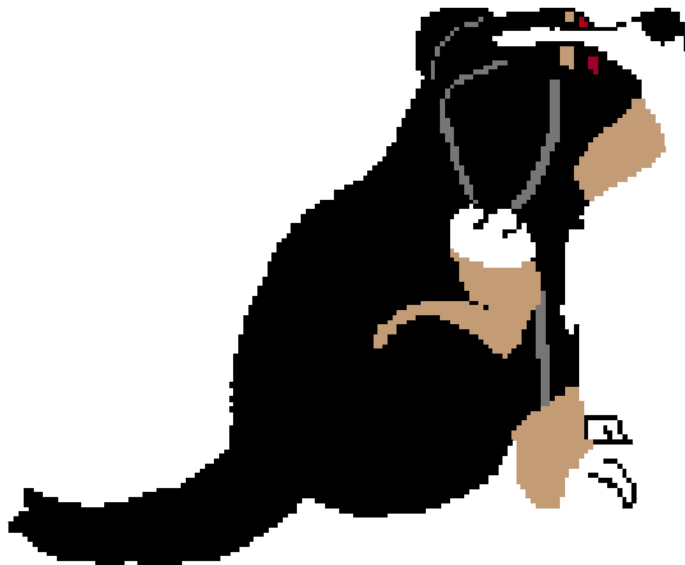

Every year in December at the annual meeting, new board members are voted on, as the positions open. We currently have two-year terms for president, vice president, secretary, treasurer, and five board positions. This year the open positions are president, treasurer and two board members. Nominations will be taken at the next club meeting on October 22nd (2:00 after the Draft Test). If you would like to run for a position on the board, we would love to know.

Health and Wellness Day

On Saturday, September 24, 2011, the club held a health and wellness day with CERF eye exams, cardiac exams, hip and elbow x-rays, discounted von Willebrand and degenerative myelopathy tests, and microchipping as well as blood draws and cheek swabs for submission to Berner-Garde. We had approximately 35 participants and several different breeds attended in addition to the many Berners.

Next Club Meeting

Our next club meeting will be held on October 22, 2011, at the Hansen Park in New Brighton, following the draft test. Watch for emails and check the club website for time. Anyone interested in running for a club officer position should be sure to attend this meeting.
